

NOTICE FOR SAILING TO MONTENEGRO

All Waypoint boats have all necessary documents for sailing to Montenegro but please find below info that we give to all clients who want to sail there.

Clients have to make exit in Cavtat as their last point in Croatia. Then they have to sail with no stops anywhere until first point on the entrance in Montenegro, that is the port of Zelenika where they will make custom clearance and pay some fee; cost of this is about 100-200 euro, depending of the boat length.

Sailing to Montenegro / Important notice

Waypoint boats are fully registered for chartering according Croatian regulations as well as supplied with all the equipment and documents to navigate out of Croatia in distance up to 12 Nm from the nearest port of refuge. We as a Waypoint charter company refuse to accept any responsibility for any additional item of equipment or/and document which may be requested by Montenegro authorities. Waypoint technical service is very limited in Montenegro so any claim for possible lost sailing time will not be evaluated.

Explanation of above notice

Anybody sailing to any Country may be asked any document and may be held by Police or Custom or Harbour Office.

We can not accept responsibility for that.

Checking in/out procedure we leave to our clients / agents but of course we gladly remain at your disposal.

Technical service for our employees is not legal in Montenegro which results with no quality technical support and delays if a technical problem appears while they are in Montenegro.
